TEXAS PROPERTY TAXES MADE SIMPLE

➤ HOW ARE PROPERTY TAXES DETERMINED?

Property taxes are determined by two numbers: 1.) Your property's value and 2.) The tax rates set by local elected officials in your city, county, school district, and special districts.

➤ WHAT DO THEY PAY FOR?

Your property tax dollars are used to fund community services such as:

- Public Schools
- Police and Fire Departments
- Infrastructure Projects
- And Other Local Services

➤ HOW CAN I VOICE MY OPINION ON TAX RATES?

NOW THE PROCESS IS MORE **TRANSPARENT**

New laws require local governments to be more transparent when it comes to the property tax process.

- Taxpayers have a stronger voice in the process.
- More information about how tax rates are set.
- One convenient place to learn about your tax rates and send feedback to your local elected officials.
